

The legend on the right side of the plan defines the symbols used for various elements:

- Utility Lines:** Different colors and line styles represent water, gas, and electricity.
- Construction Zones:** Shaded patterns (pink, orange, blue) indicate different types of construction or materials.
- Structural Elements:** Symbols for trees, manholes, and other structures.
- Scale:** A graphic scale bar at the bottom right shows distances of 4m, 8m, 12m, 16m, and 20m.
- North Arrow:** A north arrow is located at the top right corner.
